Applications

Applications are available beginning in the fall of each school year. Find one online at:

arm-al.org/summerstaff

Interviews will be scheduled in the spring once your application is received, but you are encouraged to apply as soon as possible! We hire approximately 16 interns each summer.

WANTED: Energetic, faithful college age young adults!

Spend Your Summer With Us!

Looking for a meaningful summer job where you can experience and share Christ’s love through service to others…and get paid for it? Alabama Rural Ministry is currently searching for mature, young adult Christians to who want to seek God’s kingdom in real, hands-on ways.

ARM is committed to meeting the needs of low-income families in Alabama in three ways:

1.) Through home repair and construction. We believe that all homes should be safe, free from leaks, and protected from the outside elements.

2.) Through children’s day camps. We strive to provide Christian education, and a Christian witness to children that are often neglected and “left behind.”

3.) Through building relationships across cultural, racial, and age boundaries. As an ARM staff member, you would do this by working closely with the families and children we serve.

ARM has two mission sites in Alabama:

Available Positions

Construction Coordinator - $1700

Gain hands-on residential construction experience (prior experience is highly preferred but not required) as you share in Christ’s love with families seeking repair. You’ll also learn invaluable project planning and management skills as you coordinate home repair projects for our middle & high school mission teams.

Day Camp Coordinator - $1700

Our day camp is like VBS on steroids! A heart for kids is a must for this position. You’ll coordinate Bible lessons, recreational activities, and educational programs for 25-30 kids ages 5-10 alongside our middle & high school mission teams. This is a great position for those interested in elementary education, social work, psychology, human development and family studies – or for anyone who loves kids!

Site Leader - $1900

A site leader manages the summer mission camp site and communicates with our mission teams. The site leader is typically a former staff member, but exceptions can be made for the right candidate with excellent leadership and organizational skills.

Radical Hospitality + Compassionate Service

The entire summer staff team works together throughout the summer to practice radical hospitality with mission teams of middle and high school students at each of our mission sites. This includes designing evening worship and poverty education programs, cooking meals, cleaning facilities, and being mentors. This is an incredible opportunity to join God’s transformative work in the lives of middle and high school students.

The work is demanding. The hours are long. Time off is rare.

Where’s the reward?

• You’ll be invited deeper into a life of compassionate service and radical hospitality.
• You’ll serve with incredible people who are passionate about seeking God’s kingdom, while you share this passion with middle & high school students who are eager to serve too.
• You’ll experience the joy of Christian community as you get to know new friends who may be very different from yourself.
• God will challenge you and sustain you as you learn to see and serve others through the eyes and love of Christ!

Primary compensation is in the form of a scholarship paid at the end of the summer. Compensation also includes a $30/week stipend, housing throughout the summer, work-related travel and meals.
