Fayetteville First UMC

Mission
Make disciples of Jesus Christ for the transformation of the world

Description
County seat church in suburb south of Atlanta.

Unique Opportunities in Ministry
Not necessarily unique... but the laity of the church is very healthy... as is the staff. Working relationships across the board are mutually supportive. Many current community based ministries were begun initially as outreaches from FFUMC

Meeting the Five Areas of Ministry

Administration:
A student can learn much about the life of the church by being involved in various committees that govern the life and ministry of the church.

Liturgy (Worship and Preaching):
We have three services, allowing plenty of opportunity for participation. We will provide preaching opportunities.

Mission and Outreach:
Helping plan and execute church-wide mission events.

Pastoral Calling and Congregational Care:
As with all pastoral staff, visitation opportunities are plentiful.

Religious Education:
With SS and bible studies, there are ample opportunities for someone to be involved in discipleship.
