House of the Rock (Redeemer Lutheran)

Mission

Be the change. Be the Gospel.

Description

It is Word and Sacrament in the language of the people of Midtown. As Christ’s body in the world, we support our worship with service. You are invited to serve every day of the week in food for homeless and other ministries.
It’s an alternative worship experience in the heart of midtown. Come as you are, open to worship and to be in a counter culture space and time.
Bring your brokenness, your doubt, your need for direction, for forgiveness and for grace.
Come to hear Good News. This is God’s time.

Unique Opportunities in Ministry

We are full of unique opportunities. HOTR is about the most unusual church any of us have ever been a part of. Beer and Hymns, Pub Theology, Food Ministry, Walking the city with sandwiches, faith development, Red Door Concerts, and more.

Outreach

We live to serve. It's who we are. We have a servant mindset. Worship on Sunday isn't our main focus, but rather being involved in the community and making a difference in the world. Meeting people where they are and speaking their language is a part of serving for us.

Meeting the Five Areas of Ministry

Administration:

There are plenty of opportunities to engage in the staff meetings, take on a role specific to your gifts, and make the ministry that God has called YOU to do come to life.

Liturgy (Worship and Preaching):

We make a place for you to participate and lead in all parts of worship you are called to.
We make opportunities for you to preach on Sundays and Wednesdays.

Mission and Outreach:

We are a mission development and plan to always be. We have the opportunity for you to help develop where God is calling us all to go.

Pastoral Calling and Congregational Care:

Pastoral care is an important part of the ministry and you will be immersed in it. Although, you must know it's different in our particular context. Rather than doing home bound visits, you'll be listening to people talk through being hurt by the church over a beer.
Religious Education:
We have a class we'll be leading and you will be a part of it.
