CHRISTLIKE SERVICE
THIS SUMMER?

EXTEND LOVE
ALABAMA RURAL MINISTRY
WHY DOES IT MATTER?

Alabama faces a shortage of nearly 90,000 adequate homes. Rural communities, especially in the Black Belt, face an array of economic, social, and political challenges. Poverty is entrenched. Too many families live in homes that are not warm, safe, and dry. Too many children are denied access to an educationally enriching, Christ-centered environment during the summer.

_The work is demanding. The hours are long. Time off is rare._

Why do we do it? We exist to end sub-standard housing in rural Alabama. We partner with families and children in these communities along with volunteer teams who together extend Christ’s love with one another in practical, hands-on ways and build real friendships across lines of race, class, culture, and generation. Join us this summer to be a part of God’s work to end sub-standard housing in rural Alabama!

HOW CAN YOU SERVE?

Host middle & high school mission teams who come to serve with families and kids in one of our two rural Alabama mission sites. You’ll serve in a camp counselor role as you empower our teams to serve and help them seek God’s kingdom through prayer, Bible study, worship, and building real friendships with our friends in rural Alabama.

**Site Leader**
$1900 scholarship, 2 positions available
Site leaders manage and direct the summer mission intern and volunteer teams and oversee all operations at each mission site including meals and housing. They have typically served with ARM before, but exceptions are made for highly qualified candidates with great leadership and organizational skills in a mission context.

**Construction Coordinator**
$1700 scholarship, 7-8 positions available
Gain _hands-on residential construction experience_ (prior experience is preferred but not required) by serving with families seeking a home that is safe, warm, and dry. You’ll also learn invaluable _project planning and management skills_ as you coordinate plans, tools, and materials for our mission teams.

**Day Camp Counselor**
$1700 scholarship, 8 positions available
Day camp is VBS on steroids! You’ll serve alongside our mission teams to coordinate Bible lessons, recreation, educational enrichment, and more for 25-30 kids ages 5-10. _Over 150 hours of classroom experience_ with kids from low-income communities makes this a great position for those interested in _elementary education, social work, psychology, or human development and families._

ARE YOU READY?

- To be invited into compassionate service and radical hospitality
- To serve with incredible people who are passionate about seeking God’s kingdom, and share this passion with eager middle & high school students
- To experience the joys and trials of Christian community
- To be challenged to trust God, grow in your faith, and discern your vocation as a disciple of Christ
