Worship Leading Internship at Trinity

Trinity on the Hill UMC a traditional congregation, but started a contemporary service August 13, 2017. We are a fairly large congregation with 3 worship services. Traditional Services are at 8:30am and 11am (11am is broadcasted on TV and YouTube) and Contemporary at 9:45am (broadcast on FaceBook Live). Our Mission Statement is “to Know Christ and to Make Christ Known” and we have a lot of programs to reinforce this mission statement.

The intern will work directly with Kyle Jones, but will also receive some training from his assistant. We will dive a little deeper into the concept of what worship is, but also how to plan, prep, and lead a contemporary worship service. This will include planning meetings, preparing tech (lights, propreseter, graphics, videos, etc), stage design, learning how to work with and schedule volunteers, music selection, prayer and scripture selections, etc. The intern will also come and help lead worship for a middle school retreat in June and possibly help with tech during VBS (June).

A little about me – My wife and I will have been married for 15 years in May and we have 2 kids, Levi (8) and Livi (3). I’ve been in ministry for 17 years and leading worship full time 5 years. My Graduate Degree is in Business Administration from Georgia Southern and I have a Masters in Worship Studies from the Institute for Worship Studies. I love the ancient-future concept though it can be difficult to apply in some contexts, but I will help the intern learn how to overcome some of these difficulties if they have a desire to learn it.

The stipend is $2,000 for the program and 10 weeks (flexible on start time) at 20-25 hours per week. Assuming the intern is not from Augusta, we do have some housing options.
