Bethesda House International Church

Mission
The mission of BHI is to be a spirit-Filled Worshipping Community that Realigns and Empowers People, Frees through the Love of Christ, and Equips to Care for the World through training that is Inspiring Visionary and Evangelistic.

Description
BHI is a new church plant in the city of Atlanta. The first official service was held on January 18, 2015. We currently worship in Trinity UMC. As a non-denominational congregation, we are forming our worship and service unto the Lord in a way that is beneficial to the demographics whom God allows for us to serve. We are located in the heart of the city with a heart for the city. We are presenting ourselves to God to be sent out to serve the world.

Unique Opportunities in Ministry
Because BHI is a new church, we offer the opportunity for a student to use their skills, gifts, and talents to create events, ministries, or community service activities that would benefit the community in which we serve.

Site Details

Outreach
BHI has a ministry called HydrateATL. This is an opportunity for us to go out into the community and hand out ice-cold bottles of water for free to anyone who desires the water. This ministry is primarily engaged in the warmer months.

Meeting the Five Areas of Ministry

Administration:
The student will work closely with the senior pastors to observe, study, and rehearse administrative policies and procedures. The student will attend staff meetings and actively participate in activities.

Liturgy (Worship and Preaching):
The student will have a schedule that includes serving on the worship team, planning a worship service, reading scripture during services, and prayer. The student will have up to 3 opportunities to preach, after which the pastor will provide feedback.

Mission and Outreach:
The student can participate in existing mission and outreach programs. The student may plan a special community event, if desired.

Pastoral Calling and Congregational Care:
The student will work with the Pastors and have the opportunity to observe the processes of church planting. The student will meet regularly with the senior pastor to discuss pastoral calling, self-care, and spiritual development.

**Religious Education:**
The student will work with staff in children's and adult ministries, to prepare and teach in each area. The student will meet with the mentor and Religious Education leader to discuss curriculum selection and development.
