Meeting the Five Areas of Ministry

Administration:
The student will be exposed to every aspect of the church. They will be involved in committee meetings, the maintenance of membership rolls, paying bills, and to the day to day administration of the church

Liturgy (Worship and Preaching):
The student, will be involved in the planning of a variety of worship services and will be given the opportunity to participate in the leadership of worship. They will assist with the preparation and the serving of Communion. During the student's time with us they will be given a minimum of two opportunities to preach in different services.

Mission and Outreach:
The student will have the opportunity to plan, implement and / or participate in a variety of mission and outreach events. These will range from serving at a soup kitchen, giving out bags of groceries, participating with Family Promise and many more.

Pastoral Calling and Congregational Care:
As opportunities arise the student will be allowed to shadow the Senior Pastor on hospital visits, home visits, funeral planning and various other situations

Religious Education:
The student will have many opportunities to plan, and lead many educational opportunities for all ages.
