The Nett Church

Mission

To enable men and women of diverse national, racial, and economic backgrounds, to experience transformation in Christ, together as one, and to grow in favor with God and community.

Description

This is a Church Plant that will start in July 2015. We are anticipating to start worship in a local school or movie theater.

Unique Opportunities in Ministry

Learning by experiencing the nuts and bolts of church planting: Vision casting, gathering launching team, developing laity leadership, street ministry.
All this in a multiethnic and multicultural community of faith.

Site Details

Outreach
TBA

Meeting the Five Areas of Ministry

Administration:
He/she will learn how to structure and order the church.
Since we are a church start he/she will be expose to every area of the administration of the church.

Liturgy (Worship and Preaching):
He/she will be directly involve in the planning and implementation of the weekly worship services.
He/she will have the opportunity to preach and develop his/her public speaking skills in additional gatherings.

Mission and Outreach:
We are committed to be a mission oriented church and not a program oriented church. Everything that we will do will have a direct impact in the community. He/she will be able to participate and create new opportunities as long as his/her schedule allows them.

Pastoral Calling and Congregational Care:
He/she will be involve in hospital, home and jail visitations.

Religious Education:
Through weekly meetings we will enable the student to growth in this area.
As the lead pastor I'm currently working on my Dmin and the church plant is part of a thesis project, therefore there will be a natural environment for the student to reflect about theology and ecclesiology.
