What is the Chaplain Candidate Program?

The Air Force Chaplain Candidate Program is an exciting opportunity for seminary and other professional religious school students to evaluate their compatibility and potential for commissioning as an Air Force Chaplain. The focus is on experiencing ministry in the Air Force during summer training internships. As a chaplain candidate, you will draw upon your background, education and experience to function as part of an Air Force chapel team. Upon entering the program, you commission as a Chaplain Candidate, Second Lieutenant. Upon graduation and ecclesiastical endorsement, chaplain candidates are eligible for reappointment as a chaplain in the USAF Reserve, Air National Guard, or Active Duty component.

Chaplain Candidates train to meet the needs of Airmen and their families as potential future Chaplains. The training program is organized into four phases over multiple years:

- Basic Training to include the five-week Commissioned Officer Training Course and the two-week Chaplain Candidate Course.
- Chaplain Candidate Intensive Internship: 35-day multi-base emersion into the Chaplain Corps mission across the Active Duty, Reserve, and Guard.
- 35-day tour at an Active Duty base for hands-on practice of Chaplain skill-sets crafted to meet your reappointment goal (Active, Reserve, or Guard).
- Additional tours post-degree while you earn your ecclesiastical endorsement to serve as a Chaplain.
