Candler School of Theology  
Application for the  
Advanced Summer Ministry Internship  
in Congregational Leadership 2018  
(CE545R)  
Buechel United Methodist Church  
Louisville, Kentucky  
http://buechelchurch.org  

Description:

Buechel United Methodist Church is a diverse, multi-ethnic church in Louisville, Kentucky. We worship in five languages: English, Spanish, Swahili, Burmese, and French, and average 150-200 people across 5 services. The church is not a white church that hosts other language groupings; instead we seek to have worship and leadership fully integrated. The English-speaking contingent is aging, and we're seeking to invite younger English-speakers into the church. We have on average 50 children on a Sunday morning, almost all of whom Swahili is their first language.

Summer Intern Position:

Our hope for an intern would be that they would be interested in learning about a multi-ethnic, multi-site church and they would be included as a part of staff meetings and strategic planning. We would want their assistance in planning and implementing programing for our refugee children and families, as well as helping with outreach events to the community. They would be included in worship planning, the preaching rotation, and home visits to our immigrant and refugee families. Depending on their skill set and interests we have the ability for involvement in fundraising, partnering with our new non-profit, and helping grow our social media impact.
