Central Congregational UCC, Atlanta, GA

Summer Camp Lead Counselor, Camp Beech Grove

Camp Beech Grove is an all day church camp. We want counselors ready to create a loving and fun environment for the kids. We are discovering ways to connect our sacred stories with care and learning about our planet. Campers are rising K to 3rd Grade. Our church is open, progressive, and Christian; and is set in a 6-acre nature preserve. All positions provide paid training. Apply by April 30, 2015.

Lead Camp counselors are the primary caregivers for each camper in their group. We are hiring two assistants to work with the lead counselor. The lead counselor will plan and perform daily activities, coordinate with other counselors, and communicate with parents.

The eight-week counselor position begins on May 18 and ends on July 10. The first two weeks are a required paid training time, excluding May 25.
