SUPER POPULAR QUESTION: Are scholarships available?
ANSWER:
- Emory COS does not offer scholarship money
- Most Annual Conferences (and some districts/churches) offer scholarship money for their Course of Study students. If you are unfamiliar with how the scholarship program works in your Annual Conference, please contact your Ministerial Services office to find out more!
  - Some Annual Conferences request their students to pay the entire cost of COS upfront and then they will reimburse you once you have completed the class with a satisfactory grade.
  - Other Annual Conferences give your scholarship money directly to Emory COS and we subtract that from your balance before we send you an invoice. If you don’t know what your AC does, ask them!
