PAID SUMMER STAFF POSITIONS

Motown Mission Summer Staff

- **Paid Summer Internship** - room + board are provided, in addition to receiving a stipend of \$3000 and returning staff earn more each year they serve. Summer staff position runs late May to early August.
- **Spiritual Discernment** - staff meet with local religious leaders to learn about different roles in ministry (Elders, Deacons, lay staff, camping staff, missionaries, and more).
- **On-Site and Off-Site Training** - staff will train for two weeks and will explore the city of Detroit while doing so. Then we'll meet up with another Michigan Area young adult internship program at a camp up north to gain some professional development that will pay off far beyond Motown Mission (volunteer management, business etiquette, discovering spiritual gifts, etc).
- **Intentional Living** - staffers live together in intentional Christian community
