## January-Term Mini Session Courses

**(Meet Monday, January 8-Friday, January 12, 2024 (5 days) unless otherwise specified)**

**J-Term enrollment ends December 12, 2023**

January pre-term session ("J-Term") courses are considered part of your Spring schedule for financial aid and academic purposes (such as full-time status). J-Term courses do have distinct add, drop, and withdrawal deadlines from the Spring semester. Courses may require pre-work that is distributed in advance of the course. Courses with a Part A in J-Term will have a Part B in regular session. Typically at least a final paper, project, or exam is due after the end of J-Term but before the end of the regular session. Enrollment in only one class per J-Term is allowed unless otherwise specified.
