### January-Term Mini Session Courses (Meet Monday, January 5-Friday, January 9, 2026 (5 days)) J-Term enrollment ends December 10, 2025

January mini session ("J-Term") courses are considered part of your Spring schedule for financial aid and academic purposes (such as full-time status). J-Term courses do have distinct add, drop, and withdrawal deadlines from the Spring semester. Courses may require pre-work that is distributed in advance of the course. Courses that do not meet all contact time during J-Term may have more significant pre or post J-Term instructor-led asynchronous contact hours. Courses with a Part A in J-Term will have a Part B in regular session. Typically at least a final paper, project, or exam is due after the end of J-Term but before the end of the regular session. Enrollment in only one class per J-Term is allowed unless otherwise specified.
